

# Bright Sparks 2021 Call for Entries

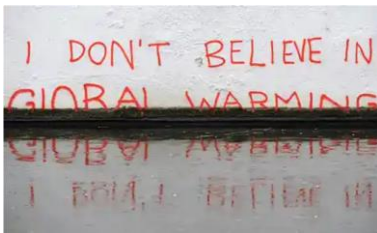

Poster exhibition for Moonee Valley students from Prep to Year 10

## Inspiration Choice Board

Inspired by youth led activism amidst concern for the environment and climate change Incinerator Gallery invites Moonee Valley school students to enter their art or design posters on the theme environment into the Bright Sparks 2021 poster exhibition.

This choice board helps you explore different art ideas around the environment that could lead to creating an artwork for the poster exhibition.

Create an artwork with a slogan expressing your environmental message.
