Welcome to Fireworks 2023, where we proudly present the achievements of Years 11 and 12 art and design students who live, work or study in Moonee Valley.

Now in its eleventh year, Fireworks offers insight into the diverse perspectives of these students. We celebrate the convergence of creative and critical thinking through expressive art and design works. From drawing and painting to sculpture and modelmaking, students explore themes including identity, companionship with animals, environmental considerations, mental well-being, family dynamics, and their cultural roots.

We invite you to engage with these thought-provoking works, reflecting the pulse of our ever-changing world at Incinerator Gallery.

180 Holmes Road Aberfeldie 3040

11am—4pm, Tuesday to Sunday

Closed on public holidays and between exhibitions

Visit our website for opening hours over the Christmas period
