## **Bright Sparks**

Poster exhibition for Moonee Valley students from Prep to Year 10

**Posters will be accepted at Incinerator Gallery from 1 October to 24 November during regular opening hours**

Incinerator Gallery invites school students who live or study in Moonee Valley to enter their favourite food posters into the Bright Sparks poster exhibition.

Draw, paint, or collage your favourite foods. Make them colourful, fun, and delicious in any medium you like—let your imaginations sizzle! Think about what makes your best foods special. Are they the vibrant colours of rainbow salads, the gooey cheese on pizzas, or the sweetness of perfect ice cream cones? Try to capture that magic in your artwork. Create a serious realistic food poster or imagine your food coming to life with smiles, googly eyes, and their own distinct personalities. Or create fantastical worlds where your foods are superheroes on adventures. Maybe they become friendly monsters, or cute creatures. The possibilities are as endless. Pick up your art supplies and turn your favourite food into works of art that will make everyone's imaginations run wild and their mouths water.

Posters may be created from any medium; for example, paint, felt tipped pens, ink, photograph, digital print to name a few. Collaged artworks must be able to withstand handling and storage without elements falling off. Pastel or charcoal works must have been sprayed with fixative so not to smudge.

Posters will be displayed at Incinerator Gallery from Friday, 6 December 2024 to Sunday, 19 January 2025.

Teachers may enter their class' posters as a batch of entries.

Families may enter their children's posters individually.

The Bright Sparks exhibition will open alongside Fireworks on Friday, 6 December at 6pm.

Prizes to be awarded at the opening are:

- Mayoral Award for Bright Sparks \$50 art supplies voucher
- Incinerator Bright Sparks Award \$50 art supplies voucher

Years 11 and 12 students are encouraged to enter their art and design works into **Fireworks**.
